

This is to certify that
Hooyu Ltd

Unit 8 – 10 Quayside Lodge, William Morris Way, London SW6 2UZ

Has been assessed
by Alec Auer for First Base Technologies LLP
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Hooyu Identify Platform

Certification date: October 31st, 2018

Recommended re-assessment date: **October 30th, 2019**

Certificate no.: 4305377972803029

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
